

THE CAMPAIGN

The Huntington Tri-State Airport is a critical hub for the economic development, and stability, of our region. HTS provides hundreds of jobs across many industries, significant revenue streams throughout the area, and is the hub for business and leisure travel in the region.

The U.S. Department of Transportation has committed to providing HTS over one million dollars intended to secure additional flights to Washington Dulles and/or Chicago O'Hare International Airports. The only stipulation to receive that funding is that the community must demonstrate support of the airport through a financial contribution equaling at least 25% of the funding.

The Soar Campaign seeks to raise the required community funding needed to satisfy those guidelines.

We are asking for your help to bring those flights to HTS. Your investment, large or small, provides proof that you believe in the positive impact of the airport on our region.

QUICK FACTS

A successful Soar Campaign will allow HTS to receive USDOT funding intended to secure flights to Washington Dulles and/or Chicago O'Hare.

All funding for the Soar Campaign to be successful must be provided to the USDOT by the end of 2022. The local investment must exceed \$250,000.

The more businesses & individuals that invest in the Soar Campaign, the better! Airlines view multiple donations as widespread support.
